

## Evaluation by Technology Angel

**1.Name of Expert** :  
**(e-mail ID, mobile no., contact address):**

**2.Name of Innovator** :

**3.Proposal title** :

**4.Expert comments on proposed innovation (Part A)**

	<b>Innovator (to be completed by innovator)</b>	<b>Expert (to be completed by expert)</b>
<b>Description of working of the innovation ( use sketch, drawing, patent, photograph, video to explain the working)</b>		
<b>Description of science behind the innovation</b>		
<b>Technology trends from literature survey and patent search</b>		
<b>Enclosures (relevant literature, patent, substitute products etc.)</b>		

**5. Expert comments on proposed innovation (Part B)**

	<b>Expert comments</b>
<b>Assessment of technology merits of proposed innovation</b>	
<b>Technological challenges in design and prototype manufacture based on innovators known skill set</b>	
<b>Recommendations to TePP</b>
